

Product Notification

HF-8056 Hi-Lo Digital Thermostat February 10, 2006

The HF-7514 2-Stage Thermostat Assembly has been replaced by HF-8056. Recently, the vendor of the HH-7028 (2-stage Thermostat) notified GSI that this component would no longer be available. The current stock of this part has run out. A replacement thermostat has been specified and is now available for sale.

HF-8056 THERMOSTAT ASY HI-LO 2-STAGE \$436.00 List

Digital Hi-Lo Thermostat Features

Wide setpoint temperature range (-30°F to 220°F) and differential adjustment (1°F to 30°F).
